BME WORKERS NETWORK

Terms of Reference

Membership

Membership is open to those whose remit is to work with BME communities at a “grass roots” level whether in a paid or voluntary capacity.

Members of the BME KSP will be invited to the meetings.

The Network will:

- Share information on services for BME communities.
- Promote good practice.
- Identify barriers for BME communities and identify ways of overcoming them.
- Work together on events for BME communities.
- Strive to identify those groups that are not represented at the Network meetings and to fill those gaps.
- Liaise with other relevant groups and networks such as the BME KSP.
- Sign-post issues to other appropriate bodies.
